- -Know that your clothes may be exposed to chemicals and products despite our best efforts to protect them.

## Liability Waiver

**Please Check one:** One time only: \_\_\_\_\_ Future services \_\_\_\_\_

I have been informed by \_\_\_\_\_, a stylist of Vibrant Color & Cuts, that I am choosing to receive a \_\_\_\_\_ service. I have informed my stylist of all processes done within the past 12 months. I realize this is very important information and any information I withhold will leave potential for unpredictable results. I understand that chemical services may affect the integrity of the hair, and there is a possibility of having chemical reactions. I understand there are products to keep some of the integrity of my hair during the service, and products I can use to benefit my hair after the service as well. I am aware that my stylist has had the necessary training and will do her/his absolute best to create the best results possible, therefore I will not hold Vibrant Color & Cuts or my stylist responsible for unexpected or undesirable results. All chemical services are nonrefundable. Consultations are video and voice recorded.

Thank you, we look forward to working with you.
